

**Honeywell Commercial  
Thermostats Have Everything  
You Need To Comply With Title 24.**

# Honeywell Commercial Thermostats Have You Covered

Title 24 is California's energy-efficiency standards for residential and commercial buildings. To meet the commercial building requirements, only thermostats without a permanent hold function are allowed.

Honeywell commercial thermostats meet the code.

Residential thermostats don't cut it. Neither do most commercial thermostats from other brands.

## Always Choose Honeywell Commercial Thermostats

### Comply With Commercial Building Codes

- Title 24
- IECC
- 2-hour override
- Economizaton

### Features Designed For Buildings

- Occupied/unoccupied terminology
- Auto changeover out of the box
- Partial and full lockout levels with override buttons

### Commercial Algorithms

- More aggressive to handle commercial buildings' loads
- More sensitive, with shorter response time

### Support Auxiliary Commercial Devices

- Remote sensing and wall modules
- Economizers

### More Impact On Energy Savings

- Economizer, holiday setback, overrides and no hold
