- **Reset your configuration or option selected**
- **Confirm your completed configuration (Green Light – Configuration Complete!)**

Customize It: Damper Actuators

- Search our Catalog
- Or Add the customizable products directly to the shopping basket by direct entry in the “**Entry Nr.**” field
 - Enter:
 - Market Description (AMX24-MFT)
 - Reorder Number (AM1001C1A01)
 - Part Number (AMX or AM1001C1A01)
 - Update shopping basket.
- Select the “**Customize It**” button to configure your product.

The screenshot shows the BELIMO website interface. The top navigation bar includes the BELIMO logo, the tagline "TOGETHER TO THE TOP", and the text "BELIMO AMERICAS USA / LATIN AMERICA". Below this is a secondary navigation bar with links: Home, Log off, My Profile, Product Documentation, Excel Upload, Sizing and Selection, Replacement Solutions, and Contact Us. The main content area is divided into two columns. The left column contains a "Welcome" message to Ms. DiPalma, a "Search Our Catalog" section with input fields for "Damper Actuator:", "Control Valve:", and "Accessories:", and a "Search" button. The right column displays the shopping basket, indicating "1 line item(s) in the shopping basket". Below this is a table with columns: Quantity, Part Nr., Description, Market Description, and List Price. The table lists several items, including AM0001C1002, AM0201C1002, AM0301C1002, AM0601A1002, AM0L, and AM0H. A red arrow points from the "Entry Nr." field in the shopping basket (containing AM1001C1A01) to the "Customize It" button. Another red arrow points from the "Customize It" button to the "Customize It" button in the product details section. The product details section shows a table with columns: Item, Entry Nr., Qty., Unit, Description, Market Description, Reorder Number, Total Price, and Delete. The table lists item 10 with entry number AM1001C1A01, quantity 1, unit PC, and description "Customize AMX actuators". Below the table is a "Valve Setup" section with a link to "AMX Technical Data Sheet / Submittal" and a link to "How to Enter Flexible Products - Actuators". A red error message at the bottom states: "You must confirm configuration options by clicking on the 'Customize It' button".

Customize It! Easy step by step selection process

- **Guided Step by Step Selection Process**
- **Step 1:** The first step is always active
- **Step 2:** The last step “Review Selection” becomes active when the whole configuration is complete.
