

BREAK-THRU™

Sewer & Septic Main Line Cleaner

Drain and Septic Products

DESCRIPTION

Hercules **BREAK-THRU Sewer & Septic Main Line Cleaner** uses specialized enzymes to accelerate the breakdown of wastes, keeping main lines running smoothly (even with low-flow toilets.) It targets soap, paper, fats, grease, protein and starches. No harmful bacteria. Easy-to-use liquid. Safe for humans, animals, plants, and plumbing.

Hercules **BREAK-THRU** products contain an exceptionally large quantity (billions) of a unique blend of specific enzymes for targeted, safe, and efficient drain/septic system maintenance and treatment. They effectively break down waste blockage, without harsh chemicals that can interfere with the natural balance of the system and damage drains.

Sewer & Septic Main Line Cleaner

SPEC SHEET #S00113

APPROVALS AND LISTINGS

N/A

SPECIFIC USES

Formulated to improve flow of effluent through main sewer and septic lines. Improves grease trap efficiency and digests drain line buildup.

SPECIFIC APPLICATIONS*

Enhances the natural biology and digests drain and sewer buildup.

PHYSICAL PROPERTIES

Specific Gravity: 1.0
Solubility in water: Soluble
Boiling Point: 212°F
Appearance/color/odor: Dark blue liquid; odor - mild pine

WARNINGS OR CAUTIONS

Although this product contains no hazardous ingredients, follow good hygienic practices for products of this type:

- **KEEP OUT OF REACH OF CHILDREN.**
- **WASH HANDS AFTER USE.**
- **KEEP CONTAINER CLOSED.**
- **DO NOT REUSE CONTAINER.**
- Contains no toxic pollutants pursuant to the Federal Water Pollution Control Act.

DIRECTIONS FOR USE

Hercules recommends treatment four times a year. For long pipe runs, pour 8 ounces down the toilet and flush. For drains and pipes, pour 8 ounces into drain or pipe. Repeat for three consecutive days. For best results, use when house is unoccupied or at night when plumbing is inactive. Not for completely stopped pipes or drains. For complete stoppages, use **Hercules BREAK-THRU Dual Action Emergency Drain Opener**.
