

THE AMERICAN RECOVERY & REINVESTMENT ACT OF 2010

Residential Heating Boiler Equipment Certificate for Qualified Energy Property Tax Credits

The U.S. Internal Revenue Service (IRS) is now providing a tax credit on extra-high efficiency heating and cooling equipment. Triangle Tube certifies that the models listed on this page if placed in service after December 31, 2009 and before January 1, 2011, in a homeowner's primary residence, meet the criteria of "Qualified Energy Property".

IMPORTANT NOTICE: For tax purposes, save your receipt and this Certification Statement. Before filing for your tax credit, Triangle Tube recommends that Consumers seek advice from a tax professional to review The American Recovery & Reinvestment Act of 2009 and its application in reference to Section 25C of the Internal Revenue Code.
