THE AMERICAN RECOVERY & REINVESTMENT ACT OF 2009**Residential Heating Boiler Equipment
Certificate for Qualified Energy Property Tax Credit**

The U.S. Internal Revenue Service (IRS) is providing a tax credit on high efficiency heating equipment. Slant/Fin certifies that the models listed on this page meet the criteria of "Qualified Products".

To qualify the certified high efficiency boiler must be "placed in service" from January 1, 2009 through December 31, 2010 and must be for taxpayer's principal residence.

IMPORTANT NOTICE: For tax purposes, retain your receipt and this Certification Statement. Before filing for your tax credit, Slant/Fin recommends that Consumers seek advice from a tax professional to review The American Recovery & Reinvestment Act of 2009 and its application in reference to Section 25C of the Internal Revenue Code.

Manufacturer:

100 Forest Drive, Greenvale NY 11548

Equipment Classification:**Natural Gas and Propane Hot Water Boiler****Qualifying High Efficiency Boilers:**
