

BOBCAT BOILER WARRANTY

Residential Warranty

Limited 12 year (includes 5 year Protection Plan when properly registered) (Labor provided by third party)

Commercial Warranty

Limited 12 year (does NOT include Protection Plan)

This warranty is contingent upon the installation by a licensed professional heating contractor and maintenance and service being performed by a licensed professional on a regular yearly basis. Installation of this boiler and/or maintenance or service conducted by unlicensed or non-professional heating contractors will void this warranty.

First through fifth year:

Slant/Fin warrants that its aluminum boilers are free from defects in material and workmanship for one year from the date of installation and the heat exchanger is free from defects in material and workmanship for five years from date of installation. If any parts in the first year, or the heat exchanger in the first five years are found to be defective, Slant/Fin will provide replacement of such defective parts or heat exchanger. In addition to the product warranty, Slant/Fin will provide a five year Homeowner Protection Plan (HPP) for residential applications only to cover parts and labor for five years from the date of installation provided only if the boiler is properly registered with the Homeowner Protection Plan administrator within one month of the date of installation. Claims requests must be processed directly through the plan administrator and NOT Slant/Fin. See plan for specific details.

Sixth through Twelfth year:

Slant/Fin warrants the heat exchangers of its cast aluminum boilers are free from defects in material and workmanship for the sixth through twelfth year from the date of installation. If, during such time, the heat exchanger is found to be defective, Slant/Fin will provide a replacement of the defective heat exchanger upon the payment of a proportionate charge based upon the time the boiler has been in service. The proportionate charge will be equal to the appropriate percentage of the list price of such heat exchanger at the time the warranty claim is made and will be as follows:

6th year = 20%
7th year = 30%
8th year = 40%
9th year = 50%
10th year = 60%
11th year = 70%
12th year = 80%
13th year and beyond = 100%

This warranty specifically excludes boilers operated with combustion air contaminated externally by chemical or corrosive vapors, improper fuel additives or with water/system conditioners which may cause heat exchanger failure. In addition, this warranty excludes boilers that have failed or malfunctioned due to improper or negligent operation, accident, abuse, freezing, misuse, unauthorized alteration or improper repair or maintenance. Any use of anti-freeze other than that supplied by Slant/Fin or specifically approved and/or recommended for use by Slant-Fin will void this warranty.
