

WEL-FLO®

Pre-Pressurized Water System Tanks

Multi-Dome Construction

 Deep drawn steel outperforms other designs in pressure tests.

Heavy-Duty Butyl/EPDM Diaphragm

• 30% thicker to outlast the competition.

100% Polypropylene Liner

 Meets NSF® International Standard 61 and FDA requirements for clean, safe drinking water.

Hoop Ring & Groove Design

• Provides a permanent seal between diaphragm, liner and domes.

Welded Air Stem

• Ensures reliable, leak-free performance.

5-Year Warranty

Reliable, Durable and Affordable.

WEL-FLO®

Wel-Flo pre-pressurized well tanks deliver reliable performance at an affordable price. All feature a deep-drawn steel dome design, hoop ring and groove construction and a 5-year limited warranty. Made in the USA at our ISO 9001:2008 registered facilities, Wel-Flo well tanks are an outstanding value.
