

LYRIC ROUND™
WI-FI THERMOSTAT

Lyric Round™ Wi-Fi Thermostat

SECOND GENERATION

Offer your customers true convenience through 24/7 control.

Installation of the Lyric Round™ Wi-Fi Thermostat is easier than ever, making it the perfect choice for any home. It's great for customers too, keeping them connected to their heating and cooling systems to maximize energy savings and comfort control. It can alert them of extreme conditions and maintenance needs, giving them renewed confidence in their thermostat system.

- 
Easy Setup
 Take care of installation and setup right at the thermostat or through the Lyric app.
- 
Ecosystem Integration
 Works with Apple® HomeKit™ and Samsung® SmartThings™ for control of connected products ranging from lights to garage doors, delivering an even greater connected home experience.
- 
True Connectivity
 Apple HomeKit users enjoy perks like the ability to adjust settings with Siri® voice control, and Apple Watch® users can view and adjust temperature, fan settings and more right from their wrists.
- 
Anytime, Anywhere
 Control from anywhere by smartphone or tablet.
- 
Smart Alerts
 Sends homeowners maintenance notifications and alerts about extreme conditions to help maintain efficiency and extend the life of HVAC equipment.
- 
Convenience
 At-a-glance weather outlook helps homeowners plan their day.
- 
Location-Based Temperature Control
 Lyric Round uses your customer's smartphone location to adjust the settings to save energy when they're away and help make them comfortable upon arrival.
- 
Intelligent Comfort Control
 Maintains comfort by considering indoor and outdoor temperature and humidity.
- 
Custom Shortcuts
 Create custom shortcuts for more predictable life events.
