Adjustable Top Mount Hinges

Hinges With Washers

Step 1: Apply non-skid rubberized pad to the underneath side of each of the seat hinges, then place seat on the toilet bowl.

Step 2: Select the appropriate center or concentric corrosion-proof stainless steel washer for each hinge to position seat correctly. Place washer inside hinge top. Discard the remaining 2 unused washers.

Step 3: Insert bolt through the hole in the washer and hinge.

Step 4: Screw nut on the bolt underneath the bowl until attached firmly. Do not overtighten.

Step 5: Snap hinge cover closed to complete installation.

Select Adjustment Washers →

Hinges Less Washers

Patent pending on adjustable design.

Step 1: Apply non-skid rubberized pad to the underneath side of each of the seat hinges, then place seat on the toilet bowl.

Step 2: Insert bolt in the front, middle or back hole on the hinge that allows the seat to fit correctly on the bowl.

Step 3: Screw nut on the bolt underneath the bowl until attached firmly. Do not overtighten.

Step 4: Snap hinge cover closed to complete installation.

Anti-Skid Washers

Available with the following models:

- C105C
- C105SSC
- C106C
- C106SSC
- C108C
- C108SSC
- C110C
- C110SSC

LARGE BUSHING

fills hole to minimize movement that causes seats to become loose.

Concentric for perfect alignment of seat on bowl.

IMMOBILIZES

the toilet seat & minimizes loosening.

Even the most common of products can be Extraordinary.

Comfort™ Seats has taken the manufacturing of toilet seats to a new level of engineering and design excellence. Combining the elements of old-world craftsmanship with the newest tooling, fabrication and assembly processes available, each Comfort™ Seat is crafted to ensure the highest quality and durability.

Comfort™ Seats manufactures a wide range of products for both Residential and Commercial toilets. Comfort™ Seats are designed to fit and complement products from the leading toilet manufacturers in the world. The most popular color options have also been included to ensure a perfect match with these toilet fixtures and to enhance the décor and style of your bathroom.

Comfort™ Seats meet all North American ANSI Standard requirements. Comfort™ Seats will fit ANSI Standard round front and elongated toilets designed and manufactured by Kohler, American Standard, TOTO, Briggs, Crane, Mansfield, Universal Rundle, Vortens, St. Thomas Creations, Peerless Pottery, Pegasus, Glacier Bay, Cato and most store brands sold for the North American market.
