...fast, safe installation

Pneumatic Clip Gun

Model RB-6

The RB-6 Pneumatic Clip Gun combines the safety of polyethylene clips with the ease and speed of a pneumatic application. It cannot overdrive the preinserted galvanized nails. The clips are fastened perfectly and effortlessly!

U.S. Patent 6,481,612.
Foreign patents pending.

Manual Clip Gun

Model RB-5

The manual RB-5 Clip Gun is light-weight and easy to use. Just align the clip gun over the pipe or tubing, and fire. Installations are fast, permanent, and cost-efficient!

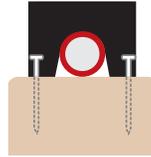

of plastic pipe and tubing.

Installations with RB Clips are fast and secure. The clips fit perfectly: they can't cut into or damage the tubing in any way. Flush mount clips hold the tubing against the surface and have a low profile. Stand-off clips position the tubing away from the surface.

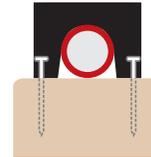

U.S. Patents 4,801,061 & 4,801,064 & 5,350,267.
Foreign patents issued and pending.

RB Flush Mount Clips

3/8" Flush Mount Clip
for use on pipe or tubing with ID of 3/8"
Product Code: F4OD

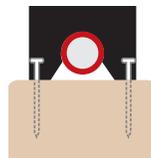

1/2" Flush Mount Clip
for use on pipe or tubing with ID of 1/2"
Product Code: F5OD

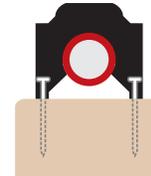

5/8" Flush Mount Clip
for use on pipe or tubing with ID of 5/8"
Product Code: F6OD

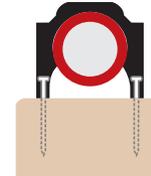

RB Stand-off Clips

3/8" Stand-off Clip
for use on pipe or tubing with ID of 3/8"
Product Code: P3BK

1/2" Stand-off Clip
for use on pipe or tubing with ID of 1/2"
Product Code: P4BK

3/4" Stand-off Clip
for use on pipe or tubing with ID of 3/4"
Product Code: P6BK

RB Clip housings are manufactured of high-density polyethylene that is lightweight yet strong. Two galvanized nails per clip are driven 5/8" into the wooden surface, providing an installation that is both strong and permanent.

Easy to load! Just open the gun magazine and load a strip of 20 clips. After each clip is fired from the gun, the strip advances into position to fire the next one.

Easy to inventory! Each RB Clip box contains 5 strips of clips, with the two nails preinserted, ready to load and shoot. No more fumbling with loose manual clips...

Whether attaching pipe for residential water systems, or tubing for radiant heating in a staple-up or staple-down system, the RB Clip Gun Systems provide installations that are fast, secure, and damage-free!

RB Clip Gun Systems

For use in:

Radiant heating systems
Water systems
Gas lines

Pipe or tubing material:

PEX
CPVC
CSST
