Solid State Lighting

LED PAR ECO

The Topaz LED Economy PAR lamps are a long lasting and energy savings alternative to traditional incandescent lighting. Featuring advanced thermal management, optics and SMD LED technology these lamps are an efficient high quality LED solution. Available in 3000K and 5000K color temperatures, they are rated for indoor applications and are ideal for down lights, track lights and spot lights in residential, retail, hospitality and commercial applications. Dimmable for ambiance control, these lights are rated for 25,000-35,000 hours and are warranted with an industry leading 5 year guarantee.
Solid State Lighting
